

Dear Patricia Sullivan,

The Marines of the Avionics Division in Marine Medium Tiltrotor Squadron 268 would like to extend their gratitude to everyone's support. Every letter or box sent is a breath of fresh air that allows us to thrive and push forward through any obstacle in our path. We are forever grateful for your thoughts and prayers to shine a light in the dark path we must take to establish freedom for the country we love. We know as Marines; what we bring to the table and we are never afraid to eat alone, but there will always be a spot open for those who support their military at our table. The Marines in this picture display the ability to have fun even when away from their loved ones. This "Gun Show" photo displays a fun side to build cohesion and friendship that only a few will understand. I would like to personally thank you for your support and thoughts during our time forward.

Sincerely,

Chief Warrant Officer 2 Phillip Zamudio
