Hi Pat, thank you so much for the gifts and phone card that was sent through the any soldier program. I am the 1SG for a combat stress unit and as you can imagine, are quite busy. Some items are kept by us but a lot are sent out to our teams closer to the "front" and they give them to soldiers as they make the rounds checking up on soldiers. The support we've gotten from folks like you has been amazing.

Thanks again, 1SG Keith Fletcher
