Ma'am,

A coworker of mine just brought in a care package that you had sent. I must say, this is one of the best care packages I have seen. It had everything in it! I wanted to take a moment to say thank you for send these care packages. It always brightens my day when one makes its way to the office. Packages like your bring a lot of smiles around the office and give us a small change in the everyday grind here.

I saw that you were from California. Is the weather there nice right now? I am originally from Ohio and have only visited California once, but that was to Barstow, CA, so my judgement was a bit tainted haha! I guess I should take a second to introduce myself. My name is Kyle Roudebush. I am married to my wife Deanna and we have two boys, Ivan (6 years old) and Oakland (1 year old). This is my third deployment and second time to Iraq. I have had quite a few care packages make their way to the office, and this was one of the best. I wish you could see how much good care packages like your bring to the Soldiers here. It is truly appreciated. I just want to say thanks again for what you and your group do. I am looking forward to hearing from you!

Respectfully,

SSG Roudebush, Kyle
