CLASSIFICATION: UNCLASSIFIED

I received your gifts, we are so very thankful. As soon as boxes come in, I open them up and give them straight to other Soldiers. We love it, it is our time of day that we get to just be human, go through the goodies and collect what is needed. Today we actually sent boxes of the things that were received to our Soldiers at another base, so these things are going to good use. Thank you so much and the support that you show to us. We have 9 months here and were just beginning it so the support is absolutely appreciated.

Thank you again,

Respectfully,

SGT Matt Hayes
