Liz,

Thank you very much for the care package you sent to Mr. Sekishiro. We've been here for the past four months and since then I have not received a care package. Mr. Sekishiro was kind enough to pass this package to me and let me open it. We had a small ceremony and everything since (once again) it was my first package. You guys make a big difference on our life and we are so grateful for your prayers and support. Take care and please thank everyone in the Santa Ynez Valley.
